

Meet Manager Instructions: During the meet

- Run Menu

- Under the column “Finals Time”, enter NS for any swimmer who does not swim
- If you receive a slip from a certified observer indicating a violation of rules, click the box in the “DQ” column.
- Similarly, you can indicate an exhibition swimmer by clicking the box in the “Exh” column.
- If you need to move swimmers to different lanes or heats, click on the **Adjust** button in the center.

- You can move swimmers by clicking and dragging to the new location.
- If you need to enter another swimmer in a given event, click on 'Show Eligible Swimmers'
 - You can then click and drag any eligible swimmer from the list and into any heat/lane.
 - Double-clicking a swimmer removes them from the event
